Chamber's New President Launches New Look Newsletter and Christmas Message to All

It is with much pride & enthusiasm that I make my first report since my election as President of Harrington & District Chamber of Commerce".

Much time has quickly elapsed it seems, since the AGM and with my "L" plates firmly attached, I am pleased to be able to head a very formidable new chamber committee of enthusiastic & focused members.

Much has yet to be addressed by the new committee and there is so much catching up to do, but as a committee, we are fully focused and determined to reflect the wonder, beauty, tourism and commerce of the broader Harrington, Crowdy Head, Coopernook & Moorland areas.

In this the first edition of the new look very popular "Tell Everybody" magazine we welcome all members of the community to offer contributions, events and happenings as 2008 ends and 2009 unfolds.

With our new "publishing committee" and the help of our local branch of the Greater Taree City Council Library we hope to be able to produce a regular newsletter equal to some of the better publications from around our area.

News item, photos and articles of both historical and current events will be edited prior to publication to

ensure their accuracy and regular columns for Sporting, Community Service and other items of community interest will be included.

There is much to celebrate over the forthcoming few months and so we look forward to 2009 with a refreshed and renewed vision and invite all constructive input for the betterment of the broader Harrington community. We also invite new members and businesses to join with us on the road to positive progress in the coming year.

Congratulations to our new local representatives: -

Mr Rob Oakeshott Federal member
Mr Peter Besseling MLA

Mr Paul Hogan GTCC Mayor
The Harrington Chamber of

Commerce looks forward to constructive association with these newly elected personnel in the future.

We will have many visitors to our area over the next few months and to them and all residents I extend Seasons Greetings & Merry Christmas to all.

We hope to see you at our upcoming exciting events of John Gollan Day and Australia Day details of Which are on following pages.

John Gollan Day

This truly great day of recognition and celebration of the village of Harrington includes a "carnival" of markets, stalls, rides etc along the riverfront and concludes with a wonderful display of fireworks from the breakwater on our Magic Manning river. It is indeed a night-time spectacular, and we all look forward to the wonderful display produced by Geoff Howes at 9pm in the evening. Surely, there can be no better way to enjoy and celebrate the introduction of the 2009 New Year in Harrington and the broader lower Manning region than the "John Gollan" Day!

We invite all to join with us in this wonderful event and embrace our local community and the spirit that it reflects.

Bowlers Vote to Sell Caravan Park

At a special meeting called for the purpose the Full Members of Harrington Bowling Club Ltd voted to give their Board the power to sell the Oxley Anchorage Caravan Park.

With the voting on the motion to sell at 100 to 40 the Board will now be able to contact the people who may be desirous of purchasing the park with the knowledge that they have the overwhelming support of the members.

A spokesperson for the club stated that the sale would not cause any undue stress on the residents of the park as it would be sold as a going concern.

The Clubs annual Christmas Ham raffles have again started on Thursdays, Fridays and Sundays. The Riverview Restaurant is open each day for Lunch and Dinner to cater for members and the influx of holiday makers to area over the next few months.

Lions again to hold Carols

Carols by Candlelight will take place on the foreshore Sunday evening 21st December. This year Lion Phil Redman and his crew will be on hand with delicacies from the barbecue from about 5.30 p.m and song books and battery operated candles will be on sale. Harrington Waters Singers and the Harrington Public School Choir will be making guest appearances. Why not bring the family down for an evening of fun culminating in an appearance by Santa who will dispense lollies to the little ones?

The Club, led by Fundraising Chairman Lion Wally Kosareff, is raffling a Christmas stocking. You may have seen Wal at either Coles or outside Tom's Chemist Shop selling tickets. Please support our Lions Club in its efforts to raise a few dollars to support local charities and efforts that we make to build the town in which we live. This raffle will be drawn at Carols by Candlelight.

We are also doing our bit for the Lions NSW-ACT Save Sight and Health Care Foundations by selling tickets in a Holden motor car. This will be drawn in late February. The foundations raise money to fund research into eye problems as well as funding necessary health related equipment. Recently the Nita Reed Kidney Dialysis Unit in Taree was a recipient of such financial support when Harrington Club combined with five other Zone Lions Clubs to obtain a drug dispenser and a fistula ultrasound machine. Currently we are again combined with the other Clubs of our Zone to obtain a whole body analyser worth over \$20000 for the Nita Reed and the Base Hospital.

Our last meeting for 2008 will be at our Hogan Street headquarters on 23rd December where Lions and family members will enjoy a Christmas party catered by master chef Lion Phil.
